## SATURDAY, NOVEMBER 9

### Benefiting the Kuna Food Bank

Donations also support these food pantry partners

#### Ross School Pantry | Kuna Nazarene Pantry

*Together these agencies help more than 1000 people each month with only a 3–4% overlap of households served.*

#### THE NEED IS GREATER THAN EVER

More and more of our neighbors are turning to the Kuna Food Bank for help. A total of 682 people received assistance in 2021. Last year, the count soared to 5054. That's a 641% increase!

#### How can I help?

If a flyer is delivered to your home, set a bag of unopened, nonperishable food by your front door by 9:00 a.m. Volunteers will pick up your donations.

#### What should I donate?

For ideas, log on to [www.kunafoodbank.org](http://www.kunafoodbank.org). Then click **Donate** and scroll down to the **Current Needs** button.

#### What should I do if I forget to set out my donation?

Put it in a yellow bin at Albertsons, Les Schwab, Idaho Central Credit Union, or the Kuna Library. You can also take donations to the food bank during business hours.

*Please check expiration dates and donate 2025 or later.  
Avoid glass containers when possible.*

**WHEN YOU NOURISH YOUR NEIGHBORS,  
YOU INVEST IN YOUR COMMUNITY.**
